\$500 REWARD
Offered by the manufacturer
of Dr. Sarge's Catarrh
Remedy, for a cure of
catarrh in the Head which
they cannot cure.

SYMPTOMS OF CATARRH—full, heavy
headache, oppression of the nasal passages,
coughing, rattling from catarrh in the throat,
sometimes profuse, watery, and acrid; sore
throat, tenacious, mucus paroxysms, &c.; and
putrid, thick, and yellowish mucus, discharge
according to the obscurity of the condition of
offensive matter, together with a sense of
obstruction in the nostrils. If the nose is "closed"
there is but little discharge, but if the nostrils
are impeded, there is a copious discharge of
dust, with intense depression, a hacking cough
and bronchitis, &c. Only a few of the above
symptoms may be present, or they may be
all present. Thousands of cases have been
cured without incurring half of the above symptoms,
few, if any, consumption had end in the
"deadly" stage, remaining in the preceding
and dangerous, or less dangerous, or physician
to cure.

By its mild, soothing and healing properties,
Dr. Sarge's Catarrh Remedy cures the worst
cases of Catarrh in the Head.

Every druggist every where, &c. etc.

"Told Again from "March."

Prof. W. HARRISON, the famous humorist,
of New York, writes: "I was a sufferer
from catarrh for three years, at times could
hardly breathe, and was constantly hacking
and spitting, and for the last eight months could
not even open the nostrils. I thought
nothing could be done for me, until I was advised
to try Dr. Sarge's Catarrh Remedy, and
I am now a well man. I believe it to be the
only safe remedy for catarrh now manufac-
tured, and has only one result, a rapid and
sure to experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving value
advice, hints as to clothing, diet and other matters
of interest, will be mailed, postpaid to any
address, on receipt of a twenty-cent postage stamp.
